Mr Garrison

Dear Sir

25 With this note you will find a box containing a specimen of the Blue Jay which I stuffed and mounted myself; Please accept it as a small tribute of my respect and esteem for your noble and self sacrificing exertions in behalf of the oppressed and down trodden slave; That you may live many years in happiness and prosperity, and soon see your labours crowned with success is the sincere wish of your humble friend and co-worker,

Amory L. Babcock
